516Ads.com likes to bring you the best and it doesn't get much better than the 14th Annual Sports Festival at Cantiague Park, hosted by the Ronald McDonald House of Long Island <http://www.rmhlongisland.org/> . The clouds couldn't keep Long Island families, business and enthusiastic competitors vying for softball and volleyball championships.

The Long Island Way founder Donna Cariello - [TheLongIslandWay.com](http://www.thelongislandway.com) was playing second base for Patricia D'Accolti, Children's Sport Connection <http://www.cscny.org/inspiration.htm> team. Cheered on by Daniel Gale Realty's Susan MacDonald & Sendoutcard's Steve Cochrane <http://soclink.com/34212...> now that's a great team. Ronald McDonald wandered around the park to entertain children with his hilarious antics and inflatable bouncies were positioned strategically to attract youngsters. A barbecue lunch and sports-related raffle prizes were available for all to enjoy.

"Every child deserves the chance to play a sport and we are happy to provide a venue to help Children's Sport Connection with their mission to help these children," said Robert S. Weitzner, President of the House. "Thank you to every team and individual who came out and supported our Sports Festival - it was a great event!"

The Ronald McDonald House of Long Island is a 'home-away-from home' for families who are caring for seriously ill children undergoing medical treatment in area hospitals. Located on the campus of Schneider Children's Hospital, the House accommodates families in a warm and supportive environment. Since opening in 1986, The Ronald McDonald House of Long Island has served approximately 12,000 families from Long Island, throughout the United States and abroad.
