As an organization, the Hempstead Boys & Girls Club is committed to the fulfillment of a Youth Development strategy, designed to assist our young people in the successful development of their character. Our programs are focused on instilling the following in our young people. Here are some recent highlights! Thanks to 516Ads for allowing us to share them with you. We appreciate the support.

### **Back to School**

After an exciting summer full of activities, the Hempstead Boys & Girls Club has officially reopened for the 2010-2011 school year. What a fast start is has been! Within weeks of opening our clubs, three of our four sites have already reached maximum capacity. Our Teen Center has gotten off to a fantastic start as well, with over 70 members in attendance! We are eager to serve our community as we recognize the ever-growing need for our services.

### **Day for Kids**

On September 25 over 100 kids and their families came to our Community Carnival and Get Fit challenge. We had a break-dance show, Healthy Snack stations, popcorn, ice cream, and a raffle of school supplies. ### **Teens Play in Roger Waters Concert**

On October 12 & 13th eighteen members of our Teen Center were invited for a once-in-a-lifetime opportunity to sing on stage with rock legend Roger Waters. They were cheered on by over 15,000 screaming fans while they joined him on stage dancing and singing the lyrics to Pink Floyd's classic hit "Another Brick in the Wall".
