

“FALL INTO A NEW BEGINNING”

Kimberly Konzack
October 2009

October 1. 92 days to
the end of the year!

Hopefully you have accomplished everything and more that you have set out to do this year. And, if you haven't, the good news is, you still have time 😊

If you knew you COULD NOT fail, what else would you add to your “to do” list? So why haven't you? Will you let a fear of failure, or a strong NO from a person who does not believe in you keep you from accomplishing those additional goals? If this is the case, you have a CHOICE. You can continue to do what you are doing right now or you can let me help you on the road to attaining your goals – whether it be financial freedom, time for friends and family or just not waking up to an alarm clock!
