

Inspiration is Free

At a recent networking event we had the opportunity to hear about a seminar that was coming up. The speaker said he 'doesn't do this for the money. He does it because of the great feeling he gets in making people's lives better. This seminar can help us make that one extra cold-call, send that one extra e-mail. This four day extravaganza to boost your work ethic was at a bargain price of \$1,400. Wait, we're special. On this night, we can get these live altering tickets for the extra special price of \$695. There were no takers.

Like the speaker, 516Ads.com likes to inspire. Unlike the speaker, inspiration is free. Thankfully inspiration can come from many places. Whether it be the efforts of individuals or the works of quality organizations, there's a lot of good going on and we like to bring it to you.
