Wouldn't you love to try wines in the comfort of your home instead of traveling to a stuffy impersonal tasting room? You can! The Traveling Vineyard brings the tasting room to you. You get a fun, interesting lesson on the wines you taste, food pairing guidelines, discounts, and more. We even bring the glasses!

Why We Joined The Traveling Vineyard:

While in an online networking group I met my future. I was chatting with a Traveling Vineyard consultant, asking her what a "Personal Wine Consultant" was. We chatted more and I was intrigued by the opportunity. I asked her how it works, and she said why not sign up and see. So I did. Dave was out of town at the time, and I told him I signed him up as a Personal wine consultant. We knew nothing about wine. We did our first tasting, and were hooked! We were hoping for something that would be unique, fun, and rewarding both personally and financially. We found that and more in The Traveling Vineyard. As an Independent Wine Consultant with The Traveling Vineyard we are able to create our schedule and reach the goals that we have set for ourselves and our business. We had a very limited knowledge about the world of wine before we became wine consultants. But with the training and help of my support team and by conducting wine tasting, we have learned so much about wine in the last

few years and look forward to each party. We love getting out of the house and being around adults that have the same interest as us: Wine! It was so easy to become a consultant and start our own Traveling Vineyard business. The possibilities are endless with The Traveling Vineyard. Wine and wine tasting, are an experience. We're not just presenting the Traveling Vineyard wines. We're presenting the experience of the wine tasting. It's fun, and educational; a home wine tasting party is an event that most people enjoy, but don't get the chance to take part in very often.

To try our fantastic product, visit the cellar and choose your favorites. It is that easy. The Traveling Vineyard will deliver your order to your door, and our product carries a 100% quality guarantee. Ninety five percent of our wines are only available through us, The Traveling Vineyard. Once you have experienced the exceptional quality and value you will want to come back for more. It is really that good!

For a gift they will always remember, month after month. Our **PASSPORT Wine of the Month Club** is the perfect gift for your wine enthusiast.

Treat yourself to the best the wine world has to offer. Contact us today to set a date for your wine tasting party or to talk about turning your passion for wine into a career! What we love about our job. We get paid to drink wine! Ask us how you can too!
