

Every Story Has a Bead

Michele Franzese
September 2009

Trollbeads, each with its own story inspired by love, mythology, nature and culture, are beautifully handcrafted works of art made with

Sterling Silver, 18k Gold, Italian glass and gemstones. Beads are strung together onto necklaces and bracelets to create completely unique pieces of jewelry, every woman choosing her own combination, telling her own story for her own reasons.

I'll never forget my Grandfather's voice as he used to call me "Daisy," and so it was one of the first beads I chose for my own bracelet. Every time I look at my "Lighthouse" bead, I remember all the trips out to Montauk with my Dad, and I chose the aqua and golden colored Italian glass beads in between to remind me of those warm summer days.

You can tell your story too. Express yourself and wear it, or express your love or feelings for your mother, sister or best friend when choosing just the right bead for just that special occasion.

This September is a special time for Marie Richards Jewelers and Trollbeads as well, as we are offering a free bracelet with a retail value of \$36 to any person who purchases an upgraded Trollbeads clasp valued at \$46 or more.

Our family welcomes yours to visit one of our family owned and operated locations in Stony Brook or Huntington Station (in the Walt Whitman Mall) to begin telling your story with Trollbeads.

Visit the Trollbeads website at www.trollbeadsus.com to "Build a Bracelet" before coming in, or simply to peruse the catalog to get ideas. When you visit us, our sales professionals will take the time to help you make your bracelet just right.

Together we will make something personal and beautiful. We will make something to express yourself that you can wear or show off. Every woman has a story, and with Trollbeads, "Every Story Has a Bead."
