

# Sneezing? Coughing?

## Bio - Nutria ...

Linda Levine  
January 2010

It's January, and after celebrating the New Year, what are we faced with...cold weather. Snow and more snow. People sneezing and coughing all around us. Besides using disinfectant and anti-bacterial soap, what can we do?

### **Bio-Nutria Get Well Soon Dietary Supplement**

A technologically-advanced combination of herbs and other ingredients scientifically proven to help nutritionally support the immune system. With three different types of Echinacea, plus other immune boosters, Arbonne's Get Well Soon helps support the body's natural defenses.

### **Bio-Nutria Herbal Vapor Rub**

Relax with this aromatic herbal vapor rub that includes natural essential oils and vapor action to help open nasal passages, soothe and comfort. This light, non-greasy formula includes essential oils like peppermint and spearmint to help ease aches and pains and congestion.

### **Bio-Nutria Herbal Vapor Soak**

Enjoy these natural bath salts enriched with eucalyptus leaves and natural oils. Add them to a hot bath and they provide soothing comfort and vapor action.

### **Bio-Nutria Herbal Lip Ointment**

**Cold Sore Treatment:** This natural cream aids in the prompt easing of pain associated with cold sores and fever blisters. A unique and fast-acting formula, Herbal Lip Ointment speeds up recovery plus moisturizes and protects lips. If you suffer from fever blisters or dry, chapped, cracked lips, sooth your lips with this exclusive blend of lysine, zinc, echinacea and other vital minerals and herbs that combat cold sores.
