

# Holiday Gift Ideas ...

Linda Levine  
November 2009

This year is going by so quickly. It's almost time for Halloween and Thanksgiving is right around the corner!

With these thoughts, in mind, I JUMP and start thinking about holiday gifts! What am I going to give to my sister-in-law, my brother-in-law, the nieces, etc. Every year, it's difficult to think of something that is a little different, a little special.

I know that I am not alone. Everyone thinks that they just don't know what to give. And it gets so expensive, too. You want to get something that is nice, but won't break the bank. Well, here are a few suggestions of gifts that are beautifully boxed, smell great and are pure, safe and beneficial...

*Imagine all the heady fragrances of the richly scented blooms of the tropic rainforests of Hawaii. Standing out among them all is the Tuberose. Star Jasmine Tuberose scent available in lotion, creme, shower gel, fragrant mist, perfume & 3-wck candle.*

*Black orchids are flowers of the imagination. Cassis is a Eurasian currant bearing black berries. The combination is lush, mesmerizing. Black Orchid Cassis scent available in lotion, crème, shower gel, fragrant mist, perfume & 3-wick candle.*

*Fresh, invigorating scent. Sky for Men available in shave gel, balm & wash.*
